Dear Sir, Dear Mam,

Thank you for your reply

When I arrived in Cairo, I discovered my former wife filed 3 law cases at the Egyptians Family Court where it's mentioned that I was in Cairo during court cases were served to me personally, while of course, I was in the states. Based on the travel report retrieved and furnished from the Home Land Security Department it's that I have not traveled to Egypt since 11/30/2016, which I came to divorce her in Cairo since she refused to have the divorce in the US.

II- In addition that it's mentioned that I own Holding companies in Egypt, and I generate six figures on earnings MONTHLY basis to ask for high Alimony ( LE 780,000,00). Yes, seven hundred and eighty thousand EGP yearly. Where based on my W2 and W9, I worked as a DoD ( Department of Defense) contractor during that period.

III- Issuing an Egyptian Passport and obtained an EU visa from the French consulate in Cairo to Karma S Hanafi were also submitted fraudulent consent under my name.

Regarding your recommendation, I have already two Egyptian Attorneys in place to respond to all the above allegations from 2020; though she loosed all her rights as a custodian mother in In the US, as you mentioned, there is nothing much to do pertaining the custody, or reinforce the US Superior Court since it's a foreign decree, second they still ruling the Shari'a family law were the Father comes No. 8 in The custodian order!!!!

Once again, thank you for the update regarding my daughter's passport that she is still listed on the

(CPIAP). Meanwhile, allow me to be in contact with the embassy for and future updates from my side as I am Planning to file A custody Case in front of The Egyptian judiciaries.

Should you require any backups documents please do not hesitate to contact me.

Respectfully,  
Sam Hanafi

Dear Mr. Hanafi:

Thank you for your email. As you know, the US government does not have jurisdiction over Egyptian courts. If you are concerned about pending legal matters in Egypt, we strongly encourage you to hire a local lawyer. At this time, we have not received an application from your daughter for a new passport. If we do receive one, we will likely be unable to issue the passport without your consent.

Can you explain what you mean by "fraudulent documents?" Do you have reason to believe that the mother is in possession of illegitimate documents?

Best regards,

SW

Dear Sir,

My name is Shamel Hanafi, a US Citizen. Deanna H. Aal (ex wife) abducted my daughter in July 2016 from Atlanta, GA and she is listed on the ( CPIAP) program since March 2017. Finally, I managed to locate her address in the House 382 Fifth Settlement, New Cairo, Egypt.

( Deanna H. Aal),

Cell No. +20 100 8559999.

In light of the above insights, I flew to Cairo, Egypt to take the necessary legal action towards the mother and since Egypt is not a member of the "HAIG" Convention, I am facing lots of difficulties with the local authorities to even ask for visitation, though I have won all the cases in the US Atlanta, Georgia Superior Court ( Attached) and she does not have any rights in the US to file or ask for physical or Legal custodian rights.

Therefore, I highly appreciate any assistance from the Embassy with legal authorities and make sure that my Former wife did not provide any fraudulent document to issue a new Passport for my daughter similar to the ones supplied to the Superior Court in the US all the documents was rejected By the Court.

Kindest regards,
